Dear Pensioner

Promotional Half Day Tour for Pensioners: “Coffee and Culture”

Our focus is on conducting intimate tours off the beaten track, highlighting hidden gems between Great Brak River and Friemersheim, also known as the Fragrance Route.

The itinerary for the tour is as follows:

09:00 Welcome to the local coffee roastery, which takes pride in educating the coffee drinker on what good coffee should taste like. The roaster will introduce you to the world of Ugandan coffee beans and the roasting process. Included is the best Cappuccino you will ever get to taste.

10:30 Visit the missionary station, Friemersheim. Learn about the history of Friemersheim and experience community life first hand with a walk and traditional South African food tasting at one of the community projects. The visiting points are the church, the crèche, the unique garden of Hester, the Shweshwe Stop with 4 tastings and the Lavender Nursery. Price includes the tastings, the proceeds to the crèche and a tip to Hester's garden.
