Dear Self-Drive Adventurer

Fragrance Seekers Tours on Offer

Thank you for showing an interest in our tours. Our focus is on conducting intimate tours off the beaten track, highlighting hidden gems between Great Brak River and Friemersheim, also known as the Fragrance Route.

Attached are a few varieties of half day tours on offer for self-drive adventurers.

These exclusive experiences can be adapted to accommodate you and your guests.

As we are moving off the beaten track and are visiting private working farms, please note that minimum pax vary from tour to tour and is subject to availability. Prior bookings, at least 3 working days in advance, are essential due to the uniqueness of what is on offer.

Note that some of these tours require a guide, but others are suitable for self-drive adventurers. Transport is not included in the prices.
